1. The Special Committee recommends that the General Assembly:

(a) Commend the Secretary-General for the progress made in the preparation of studies for the *Repertory of Practice of United Nations Organs*, including the increased use of the internship programme of the United Nations and further expanded cooperation with academic institutions for this purpose, as well as the progress made towards updating the *Repertoire of the Practice of the Security Council*;

(b) Note with appreciation the contributions made by Member States to the trust fund for the elimination of the backlog in the *Repertory*, as well as the trust fund for the updating of the *Repertoire*;

(c) Reiterate its call for voluntary contributions to the trust fund for the elimination of the backlog in the *Repertory* so as to further support the Secretariat in carrying out the effective elimination of that backlog; voluntary contributions to the trust fund for the updating of the *Repertoire*; and the sponsoring, on a voluntary basis and with no cost to the United Nations, of associate experts to assist in the updating of the two publications;

(d) Call upon the Secretary-General to continue his efforts towards updating the two publications and making them available electronically in all their respective language versions;

(e) Note with concern that the backlog in the preparation of volume III of the *Repertory*, although slightly reduced, has not been eliminated, and call upon the Secretary-General to address that issue effectively and on a priority basis, while commending the Secretary-General for progress made in reducing the backlog;
